## 2025 STATS

- 
- 2025 was a busy year for Essex RAYNET, all of it made possible by the time generously donated by our Membership of 40 - this year we welcomed G8JRI Peter, M3JDS Julia and RAY02419 Eliz to the group
  - We provided resilient radio communications services to support charities, user services and voluntary sector partners, at 13 Events and assisted neighbouring RAYNET Groups at four events
  - Just in Events alone, over 1900+ hours has been volunteered + another 480 hours assisting other groups
  - Not surprisingly, our busiest month was August with the Clacton Airshow & Clacton Carnival, closely followed by September, with the Midnight Walk - Harwich Half Marathon & Cycle for Life event
  - As always, our team of Duty Officers are available 24/7/365, ready to respond to a request for assistance from a User Service (Police, Fire, Ambulance, Local Authority) or a Voluntary Sector Partner (4x4 Response, British Red Cross etc)
  - Thank you to all our members, management team and neighbouring groups for your assistance - we couldn't do it without your support!

## NORTH AREA SOCIAL

- 
- Members of the North Area were recently invited to attend a casual social event, held at the Rovers Tye in Colchester, during the last week of November.
  - It was a great opportunity to reflect back on a busy year for Essex RAYNET and the North Area, plus a chance for feedback to be passed directly to the Management Team
  - We may have been there until closing time (oops) but it was a very productive evening!
  - MOWRB Richard will be hosting another of these Social Events in Feb-March, in-line with the Area Meetings which typically take place around this time of year, ready for the AGM in April-May
  - We would love to see more social meetings taking place, not just in the North Area but across Essex - if you'd like to see one in your Area, please reach out to your Controller or contact myself direct
